NOTE

1. The times are presented based on GMT+08:00.
2. Real-time settlement are fees paid in cash, for example, through an online payment. The fees may be paid for purchases, renewals, or specification upgrades of yearly/monthly resources, or for purchases of reserved instances.
3. Monthly settlement indicates the fees settled at the end of a month, for example, fees for the bill of a monthly subscription or for pay-per-use expenditures of a month.
4. The refunds are cash payments for unsubscriptions, specification downgrades, and account adjustments.
